

1 Rate Resolution, in an amount not less than the amount of the Fire Services Assessment
 2 levied on such Assessed Property computed in the manner set forth in the 2008 Preliminary
 3 Rate Resolution and set forth in the updated Assessment Roll, a copy of which was present
 4 or available for inspection at the above referenced public hearing and is incorporated herein
 5 by reference. Adoption of this Annual Rate Resolution constitutes a legislative
 6 determination that all Assessed Properties derive a special benefit in a manner consistent
 7 with the legislative declarations, determinations and findings as set forth in the Ordinance
 8 and the 2008 Preliminary Rate Resolution from the fire services, facilities, or programs to
 9 be provided, and a legislative determination that the Fire Services Assessments are fairly
 10 and reasonably apportioned among the properties that receive the special benefit as set forth
 11 in the 2008 Preliminary Rate Resolution.

12 (B) The method for computing Fire Services Assessments described in the 2008
 13 Preliminary Rate Resolution is hereby approved.

14 (C) For the Fiscal Year beginning October 1, 2008 the estimated Fire Services
 15 Assessed Cost to be assessed is \$1,150,607.00. The Fire Services Assessments to be
 16 assessed and apportioned among benefitted parcels pursuant to the Cost Apportionment and
 17 Parcel Apportionment to generate the estimated Fire Services Assessed Cost for the Fiscal
 18 Year commencing October 1, 2008, are hereby established as follows:
