

Assessment Resolution. No proceeds from the special assessment will fund emergency medical services. Adoption of this Annual Assessment Resolution constitutes a legislative determination that all assessed parcels derive a special benefit, as set forth in the Ordinance and the 2009 Preliminary Assessment Resolution, from the fire services, facilities or programs to be provided, and a legislative determination that the Fire Services Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the 2009 Preliminary Assessment Resolution.

(B) The method of computing the Fire Services Assessment described in the 2009 Preliminary Assessment Resolution, as modified, amended, and supplemented herein, is hereby approved.

(C) For the Fiscal Year beginning October 1, 2009, the estimated Fire Services Assessed Cost to be assessed is \$8,849,652.63. The Fire Services Assessment to be assessed and apportioned among benefitted parcels pursuant to the Cost Apportionment and Parcel Apportionment to generate the estimated Fire Services Assessed Costs for the Fiscal Year commencing October 1, 2009, are hereby established as follows:
