Steve Jacobs called the meeting to order at 7:05 p.m. Present at the meeting in addition to Steve Jacobs were Jay Weiss, Ray Parker and Mark Grant, constituting a quorum. All other directors were absent.

Steve Jacobs asked that Mark Grant discuss the agenda items. Mark Grant stated that the first item on the agenda was the election of Directors. Mark Grant stated that he had received emails from Tom Harmon, Larry Eldridge and Trevor Underwood, who were not present at the meeting, who stated that they were willing to serve on the Board of Directors. Mark Grant announced that the following Directors' terms of office were expiring: Steve Jacobs, Trevor Underwood, Bob Moss, Ray Parker and Phil Uchitel. Mark Grant also announced that he had received a resignation from Alex Nichols, whose term does not expire until May, 2010. Mark Grant stated that he had not heard from Bob Moss but assumed that he was willing to continue to serve on the Board. Based upon the resignation and terms of directors which were expiring, the following names were put in nomination to fill all the vacancies: Tom Harmon, Larry Eldridge, Ray Parker, Steve Jacobs, Bob Moss, Gary King, Greg Galland and Trevor Underwood. Thereupon, a vote of all the residents present was taken and the following individuals were elected to the Board, having received unanimous votes from the owners present:

Tom Harmon  
Larry Eldridge  
Ray Parker  
Steve Jacobs  
Bob Moss

The residents also decided to elect Gary King and Greg Galland as alternates to attend any board meeting in place of any director who could not attend. Trevor Underwood did not receive any votes and was not re-elected to the Board. Each of the Directors is to serve a three-year term; however, since Alex Nichols' term expires May, 2010, Larry Eldridge will serve the remaining one year of that term.

Steve Jacobs also announced that he does not wish to serve as President of the District any longer. Ray Parker agreed to do so and he was unanimously elected as President of the District. Mark Grant requested that Ray Parker be added as a signatory to the checking account and that Steve Jacobs remain as a signatory so that any two of the three Directors (including Mark Grant) could sign checks. The Board unanimously approved Ray Parker as an additional check signer.

Ray Parker next discussed the need for the repair of the dock located on the south side of the 1890 house. Ray discussed some bids he had received and requested authority to spend up to \$2,500.00 to repair the dock, although he anticipated that the repairs would be less than that. Upon motion duly made and seconded, the Directors unanimously authorized the expenditure of up to \$2,500.00 to repair the dock.

Mark Grant then discussed the Ordinance that created the District and discussed the fact that the Ordinance has a prohibition on the District becoming involved in "improving utilities." A discussion followed regarding the desire of everyone (except Trevor Underwood) in the community to bury the overhead utility lines for the beautification of the neighborhood. It was discussed that Trevor Underwood is against spending any money for this endeavor since he is still trying to get the City to acquire all of the utility lines throughout the City and to use another method for undergrounding of utility lines throughout the City. Ray Parker discussed the need to amend the Ordinance which created the District before the District could become involved in the beautification of Sunrise Key by undergrounding the utility lines. There was also a lengthy discussion about the cost that might be involved in undergrounding the utility liens.

After full discussion with all residents present, it was unanimously determined that a legal committee be established to hire an attorney for the District to work with the City Commission in an attempt to amend the Ordinance which would permit the District to pursue the undergrounding of the utilities. The Board unanimously agreed to permit the legal committee to spend up to \$5,000.00 to hire an attorney to pursue this goal. The legal committee was created with Jay Weiss, Ray Parker and Mark Grant. Mark Grant said that he would send a copy of the Ordinance to all of the Directors so they could look at it to see if there were any other changes that might be requested and asked that the Directors contact either Jay Weiss, Ray Parker or Mark Grant with any further suggested changes.

As the next item on the agenda, Mark Grant indicated that the budget and millage rate for 2010 needed to be adopted. Mark Grant then reviewed the actual expenditures as compared to budget during the last twelve months. After full discussion it was determined that the budget for 2010 be adopted as follows:

|   |                    |
|---|--------------------|
| Insurance                                     | \$10,000.00        |
| Accounting, audit and administration          | 500.00             |
| Vehicle Rental                                | 4,200.00           |
| Building & equipment, repair and maintenance  | 5,000.00           |
| Security                                      | 50,000.00          |
| Landscaping/lawn maintenance and pest control | 3,000.00           |
| Contingencies                                 | <u>5,000.00</u>    |
| TOTAL   | <u>\$77,700.00</u> |

A full discussion followed as to the proper millage rate and the use of the reserves held by the City which as of a year ago totaled over \$97,000.00. It was unanimously determined that the millage rate for 2010 be .75 mils, and that the reserves be used to cover any shortfall in the collection of the taxes needed to meet this budget and to cover the cost of the dock repair (up to \$2,500.00), legal fees (up to \$5,000.00) and the engineer to look at the foundation problem at the 1890 house (up to \$3,000.00).

Mike Dodson, the police officer living in the 1890 house next mentioned to the residents present that the back of the house continued to sink and the walls were separating from the foundation. Ray Parker talked about the fact that we had delayed doing an engineering study to see if there was further sinking of the foundation. Since it does appear that the foundation continues to sink, the Board discussed the need for having the engineering

study performed. The Board authorized Ray Parker to engage an engineer to determine what would be necessary to stop the sinking of the foundation and authorized the expenditure of up to \$3,000.00 for this purpose.

Mark Grant next mentioned that he had been contacted by the Internal Revenue Service to discuss whether or not the District should remain tax exempt. Mark Grant said he would be speaking further with the IRS representative and keep the Board informed.

Gary King then asked that there be more communication between the board and the residents. It was discussed that residents had the opportunity to come to the meetings and hear what was happening. Gary King stated that he believed the residents were out of town and could not attend. Many of the Directors doubted that was the case but Mark Grant agreed to provide information to Larry Eldridge to include in a newsletter.

Next Mark Grant asked Mike Dodson to comment upon any crimes within Sunrise Key. Mike Dodson stated that there continued to be no crime on Sunrise Key, notwithstanding the continued increase in crime in the surrounding neighborhoods. Mike Dodson referred to Sunrise Key as an "island of tranquility" and commended the District for taking the necessary steps in hiring off-duty police officers to help deter crime.

There being no further business to come before the meeting, it was adjourned at 8:20 p.m.

Respectfully submitted,

Mark F. Grant, Secretary
