

Resolution, in an amount not less than the amount of the Fire Services Assessment levied on such Assessed Property computed in the manner set forth in the 2011 Preliminary Rate Resolution and set forth in the updated Assessment Roll, a copy of which was present or available for inspection at the above referenced public hearing and is incorporated herein by reference. Adoption of this Annual Rate Resolution constitutes a legislative determination that all Assessed Properties derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Ordinance and the 2011 Preliminary Rate Resolution from the fire services, facilities, or programs to be provided, and a legislative determination that the Fire Services Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the 2011 Preliminary Rate Resolution.

(B) The method for computing Fire Services Assessments described in the 2011 Preliminary Rate Resolution is hereby approved.

(C) For the Fiscal Year beginning October 1, 2011, the estimated Fire Services Assessed Cost to be assessed is \$1,306,661.00. The Fire Services Assessments to be assessed and apportioned among benefitted parcels pursuant to the Cost Apportionment and Parcel Apportionment to generate the estimated Fire Services Assessed Cost for the Fiscal Year commencing October 1, 2011, are hereby established as follows:
